RECORD

2025 DIVISION THREE GRAND FINAL
DONVALE V SCORESBY
JUBILEE PARK, RINGWOOD @ 2:20 PM

WELCOME TO TODAY'S DIVISION THREE AND FOUR GRAND FINALS.

Donvale are here once again taking on Scoresby in Division Three. Jubilee Park has been in excellent condition over the finals series and will host today's grand finals. The fighting magpies strive for back-to-back premierships and the right for promotion into EFNL's Division Two.

If Scoresby are victorious, it will see them jump from fourth to second Division in two successive years following the footsteps of Surrey Park. The Division Four Grand Final has Whitehorse Pioneers return to the big dance versus Chirnside Park at East Ringwood Reserve at 2.20pm on Sunday, with big crowds expected.

Once again, the league would like to thank both clubs for hosting today's Grand Finals – Ringwood and East Ringwood for their support over the 2025 finals series.

Premier Division Semi Finals makes history again this week with finals being played at Holm Park Oval Beaconsfield. Giving the southeast the opportunity to view our Premier Division on the big stage has seen big crowds and a quality facility.

2025 ladder leaders Blackburn take on Balwyn at 2.20pm on Saturday for a place in the 2025 Grand Final whilst at 2.20pm on Sunday we are back at Jubilee Park where Rowville line up against East Ringwood.

Division One will see the Preliminary Final played at Pinks Reserve, Kilsyth another first for the league with the club hosting finals in 2025 in another recently developed facility. South Belgrave are looking to make their way to the grand final taking on North Ringwood in a bid to meet Park Orchards in their quest to return to the topflight division. Surrey Park will battle Wantirna South for a chance to play in three consecutive grand finals at Walker Park Mitcham in a quest to take on Templestowe in the Grand Final.

Congratulations to all teams who have competed this year and all the best to those teams competing this weekend.

EASTLAND DIVISION THREE GRAND FINAL PREVIEW

What a storyline for this year's Division Three Senior Men's Grand Final!

Donvale, playing off in their fourth consecutive Division Three Grand Final, will meet Scoresby, eager to create some further history with back-to-back premierships.

The Magpies of Donvale have won one of their last three Grand Finals, with their two losses in 2022 and 2024, games decided by less than a kick. They've managed to keep their core group of stars together in 2025 and have remained the team to beat.

A forward line consisting of the likes of Nick Murphy, Ethan Duncan, Harrison Giles, and Kaleb Djordjevic has troubled most opposition sides over the year. They were straight through to the Grand Final after a 37-point win over Knox in the second semi-final.

Once again, they enter Grand Final Day at Jubilee Park as the side to beat, but they won't be underestimating a Scoresby outfit that is seeking back-to-back premierships. Going up to Division Three this year after a historic drought-breaking Grand Final win over Whitehorse in 2024, the Magpies of Scoresby have surpassed all expectations in 2025.

They're in a very similar spot to Surrey Park of 2024 and have had to make the decider the hard way after going down to the Falcons in the Qualifying Final. Since then, Scoresby has knocked off Upper Ferntree Gully by 51 points and Knox by 39 points.

Two of their key recruits this off-season in Matthew Traynor and Jordan Camilleri, playing big roles in the Preliminary Final to lead the Magpies back to the big dance.

In both meetings this season, Donvale have blown out the lead in the opening half before Scoresby have fought their way back into the contest. Donvale held on in Round Eight, but in their Round 17 encounter, Scoresby pulled off a famous comeback on their centenary day.

We're set for an incredible afternoon at Jubilee Park, the two best sides in Division Three this year going head-to-head.
